

RCLS April Teacher of Month

Tonya Shyu 張雅江

RCLS is proud to announce our April Teacher of Month – CC1 teacher Tonya Shyu to our RCLS families. Ms. Shyu has been a teacher in our school for more than 4 years. Even though her classroom (Hook) is far away from the administration building, we can still feel her passion of teaching in the RCLS office. The positive comments for Ms. Shyu from the parents never stop since her first day of teaching. Ms. Shyu also spends a lot of time to prepare her teaching material for her students. Her dedication and patience to every student in the class tells parents how much she cares about her teaching in RCLS. Here is what parents of her students say about her teaching:

“She enjoys teaching the children Chinese and makes it fun for them. She gives them different tools to help them to increase their vocabulary.”

“Mr. Shyu treats every student with passion, patience, and positive expectation. She knows the most important thing for the students is the learning process. Great learning process will lead to good outcome.”

“Whenever I have emailed her, she has been prompt in responding and helpful.”

You can see why Ms. Shyu is the winner of our April Teacher of Month from the way parents are talking about her teaching. The RCLS is glad to have her to be one of our outstanding teachers. We will like to congratulate Ms. Shyu and wish she can continue her excellent Chinese teaching performance inside and outside her classroom.
