

RCLS December Teacher of Month

Erin Hsu 許巧欣

RCLS is proud to announce our December Teacher of Month – C6 teacher Erin Hsu to our RCLS families. Ms. Hsu just started to teach at the RCLS last semester. Even though she is new to our school, you can notice she is eager to teach our C6 students since the first day of the school. Parents of her students are always getting her weekly letter about C6 class. When the parents have any question about her class, she always communicates back to them quickly. Parents of her students speak highly about the way Ms. Hsu teaches Chinese inside and outside of classes:

“She really gets into her teaching and dedicates herself to her class. ”

“She has her own way of delivering the class material to her students. Even though her approach is very unique, it still does a good job to make her students understand her material.”

“She always responds to our questions quickly. The communication channel in between parents and her is always open.”

These words pretty much explain the reason why Ms. Hsu is our December Teacher of Month. The RCLS is glad to have her to be one of our outstanding teachers. We will like to congratulate Ms. Hsu and wish she can continue her excellent Chinese teaching performance inside and outside the classroom.
