

# RCLS February Culture Class Teacher of Month

## Michael Chiang 蔣紹民

RCLS is proud to announce our February Culture Class Teacher of Month – Chinese yo yo teacher Michael Chiang to our RCLS families. Michael has been RCLS Chinese yo yo teacher since spring 2011. To teach a large group of teenagers and young kids, Michael really need to have a lot of patience and passions to bring them into the world of Chinese yo yo as the class is mixed of beginners as well as Chinese yo yo veterans. When not teaching Chinese yo yo classes, he often brought his students representing RCLS to show off their Chinese yo yo skills to in several festivals. Before the show, he often asked his students to come early to rehearsal to make sure they are ready in the stage. If you have been in these festivals, you definitely saw him working with his students.

His students speak highly about the way Michael teaches Chinese Yo Yo inside and outside of classes:

“Michael is an excellent teacher and he is only 18. He shows great personality and patience with his students.”

“My son was afraid of going to yo yo class at the beginning. But, hs is now eagerly learning it”

“My kids like his class very much. They learn so much over the past one and half year”

You can see why Michael is the winner of our February Culture Class Teacher of Month based on what parents are speaking of his teaching. RCLS is glad to have him as one of our outstanding teachers. We will like to congratulate Michael and wish he continue his excellent teaching performance inside and outside his classroom.
