

RCLS February Teacher of Month

Jenny Lin 林青平

RCLS is proud to announce our February Teacher of Month – CC4 teacher Jenny Lin to our RCLS families. Ms. Lin has been a teacher in our school for many years. We have heard positive comments about her dedication to students and teaching constantly. Jenny is like a Mom paying attention to each student's need and provides full support. Students enjoy learning Chinese with her. With the new transition of textbook, Jenny spent a lot of time working with students and providing feedback to school. Jenny also shares her knowledge and experience with other teachers. It's great to have her. Here are what parents of her students say about her teaching:

“She constantly makes the class fun to keep the student’s attention.”

“She also finds creative ways to help the students improve their speaking.”

“Ms. Lin will seek out individual parents to discuss how the student is doing. She will tell us the positive things the student did during class and the things the student needs to work on.”

You can see why Ms. Lin is the winner of our February Teacher of Month based on what parents are speaking of her teaching. The RCLS is glad to have her to be one of our outstanding teachers. We will like to congratulate Ms. Lin and wish she can continue her excellent Chinese teaching performance inside and outside her classroom.
