Chu-Ying Kao 高茱瑩

RCLS is proud to announce our January Teacher of Month – C8 teacher Chu-Ying Kao to our RCLS families. Ms. Kao has been RCLS teacher since fall 2012. She uses a lot of web tools and great attitude to teach C8 students. She also pays attention to special Chinese study help of each student. Parents of her students always speak highly about her teaching philosophy and approaches. Ms. Kao also spent a lot of time to prepare her class. So, her students can easily understand her material in her class. Let's hear what parents of her students say about her teaching:

“She embeds games in her class. So, her students can play and learn Chinese at the same time. Very creative teaching!”

“She uses a lot of examples from real life in her teaching. This really helps her students to improve their Chinese writing and speaking comprehensive.”

“My daughter once again likes to learn Chinese because of her lively and creative teaching approaches.”

You can see why Ms. Kao is the winner of our January Teacher of Month based on what parents are speaking of her teaching. The RCLS is glad to have her to be one of our outstanding teachers. We will like to congratulate Ms. Kao and wish she can continue her excellent Chinese teaching performance inside and outside her classroom.
