

RCLS Novemeber Teacher of Month

Yali Wang 王雅莉

RCLS is proud to announce our November Teacher of Month – CC1 teacher Yali Wang to our RCLS families. Ms. Wang just started to teach at the RCLS this Fall. Before she became our teacher, she has been RCLS parents forever. So, she knows how to communicate with the parents of her students. In her class, she gives specific attention to each student on their different objectives. As a new teacher, she really does a good job to understand the right way to teach CC1 without taking too much time to fit in. Parents of her students speak highly about the way Ms. Wang teaches Chinese inside and outside of classes:

“Yali works very hard to make sure parents and students have all they need – weekly notes, quizzes, and practice forms. ”

“Yali is very enthusiastic about teaching our daughter Chinese. Her class is very organized and she is very helpful. She is very kind and whenever I have a question, she responds quickly.”

“My son was not able to attend class one week. The next week, Ms Wang gave him extra time after class to help him catch up with the other ones.”

These words pretty much explain the reason why Ms. Wang is our November Teacher of Month. The RCLS is glad to have her to be one of our outstanding teachers. We will like to congratulate Ms. Wang and wish she can continue her excellent Chinese teaching performance inside and outside the classroom.
