

RCLS October Teacher of Month

Jimmy Hsu 許志銘

RCLS is proud to announce our October Teacher of Month – C9 teacher Jimmy Hsu to our RCLS families. Mr. Hsu just joined RCLS this semester (Fall 2013). He communicates with parents by providing them the progress report of their children using the online tool monthly. Jimmy is using a lot of online tools and positive attitude to teach C9 students. He also cares for individual difference and provides extra support for students who need special Chinese study help.

Parents of his students speak highly about the way Mr. Hsu teaches Chinese inside and outside of classes:

“Teacher Hsu encourages and cares about his students. Mr. Hsu’s attitude to their students let their students think he is not only a teacher but also a friend to them. Mr. Hsu designs his lessons seriously and carefully to make sure his material is perfect for his students.”

“Teacher Hsu often spent extra time outside of regular class to help students who are behind.”

“After Teacher Hsu took over C9, my son is now doing his own Chinese homework, tests without we remind him.”

No wonder Mr. Hsu is our October Teacher of Month based on what parents are speaking of his teaching. The RCLS is glad to have him to be one of our outstanding teachers. We will like to congratulate Mr. Hsu and wish he can continue his excellent Chinese teaching performance inside and outside his classroom.
