

# RCLS September Teacher of Month

## Sulin Tsai 蔡素玲

RCLS is proud to announce our September Teacher of Month – C10 teacher Sulin (Irene) Tsai to our RCLS families. Ms. Tsai has been RCLS teacher since Fall 2012. She always communicates with parents and students and tries to find the best way to keep her high school students enjoying learning Chinese. She also encourages her students to publish their writing to Chinese Newspaper – World Journal. Several of her student’s articles have been published in World Journal since August 2013.

Parents of her students speak highly about the way Ms Tsai teaches Chinese inside and outside of classes:

“Teacher Tsai is the main reason that my son continues Chinese school for one more year. She always studies to make learning Chinese a fun thing to do”

“She is patient with students who needs extra help”

“She has spent extra time outside of regular class schedule to help students with his Chinese language learning”

These words pretty much explain the reason why Ms. Tsai is our September Teacher of Month. The RCLS is glad to have her to be one of our outstanding teachers. We will like to congratulate Ms. Tsai and wish she can continue her excellent Chinese teaching performance inside and outside the classroom.
